

# preparation tips

**🕒 Arrival:** Arrive fifteen minutes early for your appointment. If you are coming from out of the area, give yourself some extra time to find your way. In the event that you get lost it will save you some stress.

**🧠 Mindset:** Have fun! Our goal is to make sure you are happy, comfortable, and looking your best. Relax and enjoy your sessions. No pressure, we'll take care of everything.

**🐾 Pets:** We love all sizes and shapes. Bring a friend to take care of your pet while you're doing your other sessions.

**🎒 Props:** The more the better! Just bring them. Some popular choices are:  
 - Sports Equipment (football, soccer ball, softball bat, uniforms, etc.)  
 - Musical Instruments (guitar, violin, trumpet, drum kit etc.)

## just for girls

**💄 Make up:** Make-up should look natural and not overdone. Eye shadow and lip color are always a great touch. For black and white sessions slightly more make-up than normal helps the overall look. Remember to bring your make up for touch-ups.

**👗 Clothing:** Clothes should be ironed and ready to go. Try to avoid sleeveless, or tank top shirts, as they do not always photograph well. Bring a mix of casual and dressy attires for a nice variety.

**💅 Nails:** If you paint your nails, fresh polish looks best. Careful, bright colors can distract the eye.

**👗 Hair:** Wear your hair in a style you are comfortable with. Avoid getting a haircut too close to your session to insure it is exactly how you want it. Any hair changes during or in-between the sessions should be quick and simple to allow as much camera time as possible.

## just for guys

**👕 Clothing:** Choose comfortable clothing and try to avoid bright stripes, large logos, or anything that can become a distraction. Bring a variety of colors and styles, some dressy and some casual.

**✂️ Shaving:** A fresh shave is a must. If you wear a beard or mustache, make sure it's neatly trimmed.

**✂️ Hair:** Haircuts should be done at least one week before your session. Avoid drastic changes to your everyday haircut to ensure you will look great.
